# WHO WE ARE

Dear Saint of God and Friend,

We introduce to you Photizo Ministries, a Christian organization with a commission to bring enlightenment and deliverance to the world of men through the media, electronic publications, online blogging, networking, seminars, and other itinerant means.

"Photizo" is a Greek word meaning "ENLIGHTENMENT". In that light, it is our mission to inform and enlighten by inducing in people, the entrance of God's Word in any environment where we operate.

At Photizo Ministries, our mode of operation is to propagate the Life of Love in God, rather than one religion over another, because all religions emanate from man and are futile attempts to comprehend God. In addition, please note that we are not a congregating assembly, but an independent teaching ministry with a special

grace from God to bring ILLUMINATION to the saints of God and the world by revealing deep scriptural truths as they pertain to the purpose of God for these end times.

It is our firm belief that faith must not be founded on meats and drinks or any other ephemeral thing, but on sound Word and doctrine. Christians must be driven by purpose and responsibility, "...till we all come in the unity of the faith..." which was once delivered unto the saints: rapturing faith. Can the reference scripture be added?

Furthermore, we would like to express our immense gratification about the encouragement we have received from the viewers of our TV outreach on DBN Television & Hosannah TV Channel on Free-to-Air Cable Networks, and use this opportunity to state our absolute commitment to fulfilling our part in this onerous but joyful work in our Master's Vineyard

Is the program still being aired on the TV stations? Maybe the use of the phrase- 'in the past' will complete the message. Or add other phrases to depict a futurist intent to return to TV ministry

# MISSION STATEMENT

“To raise youths who carry and transmit God’s true Word, enlightening nations with messages to prepare for the return of our Lord Jesus Christ”

# MAIN MANDATES:

## 1 YOUTH MOVEMENTS FOR CHRIST:

Is to systematically, in a relational manner, like Jesus did with the disciples, teach and mentor new generation of Pauline-Styled ministries amongst believers in assigned cities and nations.

There is no emphasis on establishing churches but Disciples Making Centre leaders who are groomed to stand directly as God's Stewards, while they may remain gainfully employed in their choosing careers. These will be God's Apostles At The Market Places!

This is not to be a one-man show but collaboration with existing churches and ministers of like vision and divine purpose in God.

## 2 APOCALYPSE:

To continually bring understanding and reverential awareness of the nearness of the soon return of the King, The Lord and Saviour of The Church, to His people. Give understanding to the largely untaught and misunderstood apocalyptic books of the Bible, eg Daniel, Isaiah, Ezekiel, Zechariah, Thessalonians and Revelation.

## 3 ENDTIME ILLUMINATION

Giving of understanding of the spiritual significance of the Times & Seasons that we live now. As sons of Issachar, our mission is to alert the Body of Christ of what things are now of highest importance to God.

We are to teach men to be able to differentiate and distinguish between "the urgent" and "the important", replace with thereby eliminating wasteful use of... thereby not wasting God's resources of anointing, grace, power, favour, finance success and social influence.

## 4 PROPHETIC APOLOGETICS

Expose apostasy and deceptions by RIGHTLY DIVIDING THE WORD OF TRUTH! Bringing true standard in delivery of God's Word in areas assigned to us.

## 5 DELIVERANCE AND COLLABORATION

Get young believers replace 'link' with linked link up with sound doctrine and trusted ministers.

Establish that lawful captives (through entertainments and vield occultic social relationships) are delivered and become the planting of The Lord.

# THE SET MAN

Pastor Toks Oshokoya, who identify himself as "Liteman T"

What is "Liteman T"?

The tag "Liteman T" is a Kingdom-purpose name.

The teacher-man with the divine responsibility "to enlighten" (which is 'photizo' in greek language), other people (saints and the world in general), on God's Word, His Will, and reveal the manifestations of His Spirit from what is written in the scriptures.

It means:

Also put 'which is 'photizo' in greek language' in parenthesis to keep the structure and meaning of the sentence flowing (see sentence rephrased above.

The teacherman with the divine responsibility "to enlighten" which is 'photizo' in greek language, other peoples [saints and the world in general] on God's Word, His Will and manifestations of His Spirit from what is written in the scriptures.

Liteman is one assigned to give ILLUMINATION through sound biblical teachings.

To understand further, the following scriptures were given to me:

(1) 2Cor 4 vs 1 thru 12:

"light up darkness to give understanding without attempt to achieve superstardom or celebrity status".

(2) Isaiah 25 vs 6 & 7:

"through deep insight in The Word, fight off satanically induced deceptions/confusions and apostacies in the body of Christ".

(3) Psalm 119 vs 105:

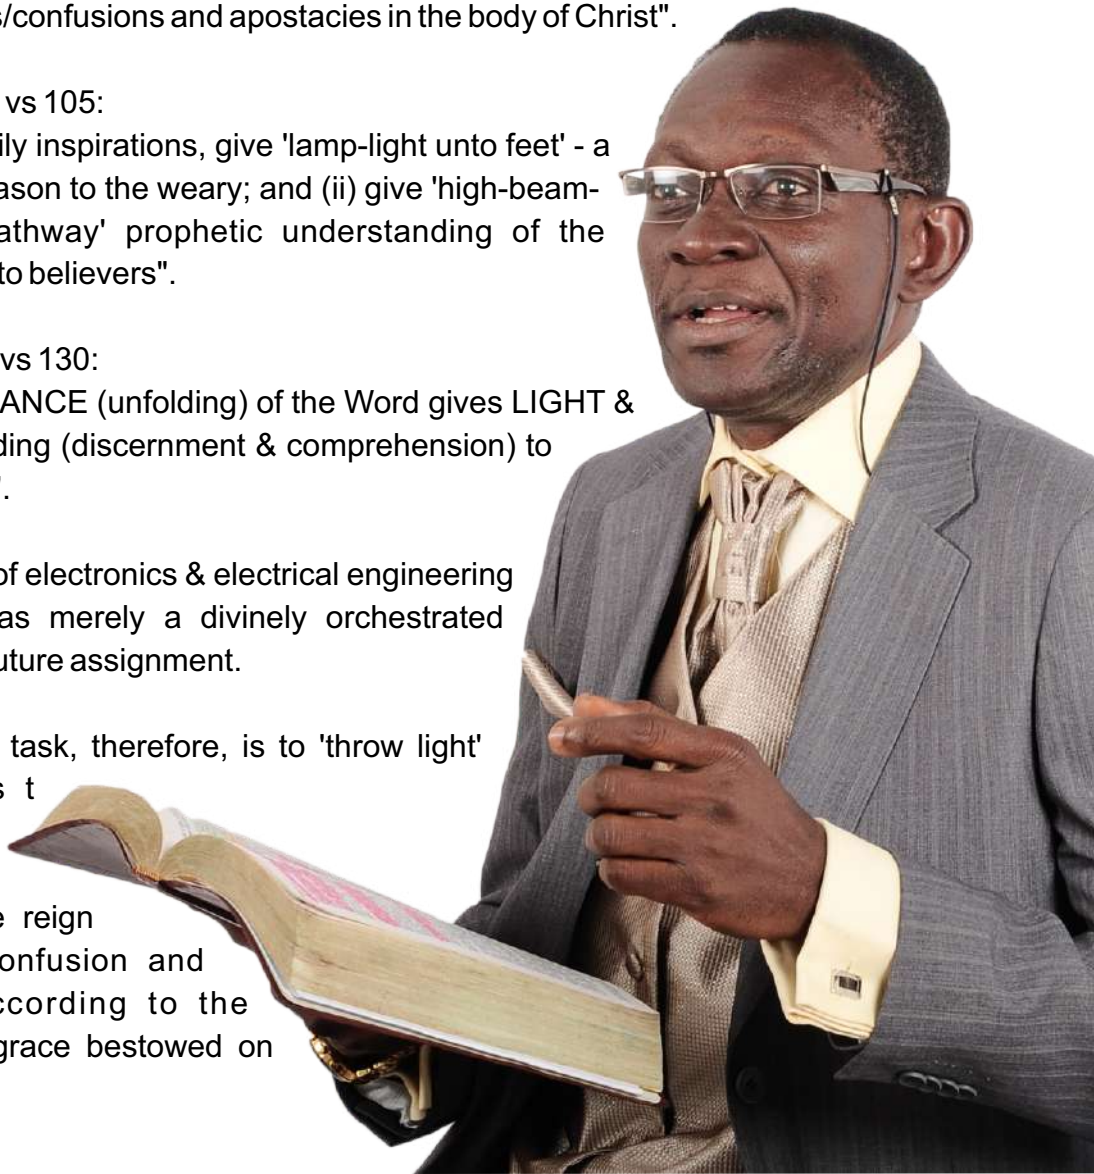

"(i) thru daily inspirations, give 'lamp-light unto feet' - a word in season to the weary; and (ii) give 'high-beam-light to pathway' prophetic understanding of the EndTimes to believers".

(4) Psalm 119 vs 130:

"the ENTRANCE (unfolding) of the Word gives LIGHT & understanding (discernment & comprehension) to the simple".

So the study of electronics & electrical engineering in college was merely a divinely orchestrated indication of future assignment.

A light-man's task, therefore, is to 'throw light' against darkness and terminate the reign of deceit, confusion and delusion according to the measure of grace bestowed on him.

# OUR GUIDING PRINCIPLES

## The Four Main Scriptures

- 2 Corinthians 4: 1 - 12
- 2 Timothy 2: 1-3, and 15
- 1 Chronicles 12: 32
- Jude 1: 3

## (Treasure in Fragile Clay Jars)

Therefore, since God in His mercy has given us this new way, we never give up.

i suggest the capitalization of the phrase WE NEVER GIVE UP

We reject all shameful deeds and underhanded methods. We don't try to trick anyone or distort the word of God.

'underhanded methods' seems incomplete. i suggest it be rephrased to under-handed methods in use of Gods' Word.

We tell the truth before God, and all who are honest know this.

If the Good News we preach is hidden behind a veil, it is hidden only from people who are perishing. Satan, who is the god of this world, has **BLINDED THE MINDS** of those who don't believe. They are unable to see the **GLORIOUS LIGHT** of the Good News. They don't **UNDERSTAND THIS MESSAGE** about the glory of Christ, who is the exact likeness of God.

You see, we don't go around preaching about ourselves. We preach that Jesus Christ is Lord, and **NOT** we ourselves, are your servants for Jesus' sake.

the word 'who' need to come in after ourselves, to complete the sentence.

For God, who said,

"Let there be light in the darkness," has made this light shine in our hearts so we could know the glory of God that is seen in the face of Jesus Christ.

We now have this light shining in our hearts, but we ourselves are like fragile clay jars containing this great treasure. This makes it clear that our great power is from God, not from ourselves.

Can the phrase 'fragile clay jars containing this great treasure' be capitalized for emphasis of why it is so key to be enlightened within the ambit of the 5 point mandate of the ministry as a believer?

I view it to be in the cadre of other key points capitalized.

We continue to preach because we have the same kind of faith the psalmist had when he said, "I believed in God, so I spoke."

We **NEVER GIVE UP**. Though our bodies are dying, our spirits are being renewed every day.

For our **PRESENT TROUBLES** are small and won't last very long.

Yet they produce for us a glory that vastly outweighs them and will last forever!

We endeavor to maintain the biblical standard for worship and demand for purity. We maintain the set mark, even if we ourselves may struggle at times. We do not use our personal temporal inadequacies to adjust the set standards for our service in God.

We struggle not to promote ourselves.

We must focus always on promoting only Jesus.

The purpose for the service can never be for self promotion whether monetary gains, popularity or societal influence.

We seek to **IMPLANT** God's character on those with me. We serve the people of God to **IMPART** the glory of God through exemplified humility and **IMPACT** them with the illumination of God's Word that will stabilise them against any storm....without seeking for carnal expansion or greatness.

That is where we are

# YOUTH MINISTRY

Since the year 2012, we have in addition, under guidance of the Holy Spirit, the mentorship of Pastor Oladele and support of the parent church of Pastor Toks, TCBCI, given birth to new work among youths. We regularly minister among youths from different universities and cultural groups. In 2012, about 300 youths were camped for 5 days of intensive bible teachings and sporting activities in Johannesburg, South Africa. That has become an annual event!

The new ministry offshoot is called the EAGLES YOUTH MINISTRY SA (EYM SA). The ministry host, every year, youths from Soweto and other universities in South Africa for

- 5Day Youth Camps,
- 3Day Youth Teaching Conferences (twice per year), and
- 1Day Youth Interactive Picnics.

See <[www.eaglesyouth.co.za](http://www.eaglesyouth.co.za)>

# EAGLES YOUTH MINISTRY (EYM SA)

## VISION:

"To propagate the Life of Love in God and to bring illumination to the World by revealing deep scriptural truths as they pertain to the purpose of God for these end-times".

## MISSION:

"To enlighten christendom and the world by teaching the Word of God, explaining hitherto 'mysterious' passages according to the understanding God has given, using the electronic media to reach the widest possible audience in a time-efficient manner"

What the Liteman's vision for the EYM?

rephrase as What is the Liteman's vision for the EYM? Also embolden the sentence

♥ making the youth to take advantage of this stage of life to live for God and His Kingdom expansion against the increasing threat of the satanically influenced emerging generation.

♥ not just calling out the youth to follow but for them to become leaders who influence others.

♥ taking the youth on a journey through demonstrated leadership is modelled in him/her.

remove 'is'

♥ committing to the youth what things in righteousness he/she witnesses and learnt of me and teaching others also.

inject comma before 'and'

♥ processing the youth to seamlessly take over from the "fathers" without generation gap challenges thereby bringing God's blessing instead of curses. (Malachi 4: 5, 6)

# COMMISSION

## THEME SCRIPTURES: 2 TIMOTHY 2:15

"Study to show thyself APPROVED UNTO GOD, a workman that needeth not to be ashamed, RIGHTLY DIVIDING THE WORD OF TRUTH. But shun profane and vain babblings: for they will increase unto more ungodliness".

2 Corinthians 4: 1 - 7

"Therefore seeing we have this ministry, as we have received mercy, we faint not;

But have

# renounced the hidden things of dishonesty,

# not walking in craftiness,

# nor handling the word of God deceitfully;

but by manifestation of the truth

# commending ourselves to every man's conscience in the sight of God.

But if our gospel be hid, it is hid to them that are lost: In whom the god of this world hath blinded the minds of them which believe not, lest the LIGHT of the glorious gospel of Christ, who is the image of God, should SHINE unto them.

For we preach not ourselves, but Christ Jesus the Lord; and ourselves your servants for Jesus' sake. For God, who commanded the LIGHT TO SHINE OUT OF DARKNESS, hath shined in our hearts, to give the LIGHT OF THE KNOWLEDGE of the glory of God in the face of Jesus Christ.

But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us".

# THE RELATIONAL BIBLE STUDY GROUP

This is a Bible Study Group for people of same Spiritual Community. (not necessarily defined by physical geographical boundaries or racial limitations).

The RBS is a forum where, primarily, Brother Toks, teaches fresh Word of God among God's people in a RELATIONAL format.

## This is what I call the RELATIONAL BIBLE STUDY

replace 'stated' with started

We initially stated holding this highly informal kind of Bible Study at my former place in Gbagada, every Wednesday by 6pm to 8:20pm.

remove the word 'the' before God

RBS was, ab initio, INSTRUCTED by the God to be styled, deliberately, after the Lord Jesus - our Master's pattern with His 12 disciples as shown in the accounts from the Gospels.

Participants are encouraged to ask questions, prepare their own teachings and basically disciplined as TEACHERS.

It is originally intended to groom those who are equally called into the teaching office.

To receive impartation of the teaching grace. Usually not more than 15 - 20 persons per meeting.

### -The "WORD ILLUMINATION CONCOURSE"

Created by the leading of the Lord a couple of years ago, around April 2014.

replace phrase 'Was then been' with Then being...

Was then been overwhelmed by the need to always move around to teach and fellowship with all my people in various locations in Nigeria, universities, fellowship groups, London, The USA, Canada, Ghana, Zambia, South Africa, etc.

I couldn't catch up with the cost of travelling regularly.

This sentence has not yet connected with the next. I recommend the connecting phrase below:

I couldn't catch up with the cost of travelling regularly so, WORD ILLUMINATION CONCOURSE became the media for the necessary fellowship with brethren.

The WORD ILLUMINATION CONCOURSE (WIC)

Please note that unlike the 'Eagles Shinning Forth', your various Camp Group's platforms or social chatforum. Participants on WIC span from all the 5 continents of the World. It is an international forum.

remove the phrase 'to use' in the paragraph below.

The WIC was thus set up in 2014 based on God's instruction to use to create an electronic \*CONCOURSE\* where the elders in the Faith can interact in Wisdom with other youths from different parts of the world.

### Scriptural Basis:

In Bible days, the OT, the \*elders, teachers and scribes\* always meet at the gates of the cities of Isreal where they discuss issues. Only young ones who are \*humble and ready to learn\* are allowed.

replace the word writing below with 'written'

Most of the things compiled and writing in books like Proverbs and Ecclesiastes were recorded from the sayings of wise men and elders at the City Gates.

In the NT, under the military occupation of the Romans, the oppressors, Israelites were not allowed such traditional practices any longer, hence they created what was referred to then as \*SYNAGOGUES\* to try to replicate the old practices of meeting at the \*CITY GATES\*.

remove comma after Romans

remove the asterisk.

Unfortunately it was no longer the same as some order of religious people called Pharisees & Saducees took over.

### **Nature of The Concourse:**

This is a purely discussion platform where certain believers from all over the world, 4 continents, meet electronically to ask and answer questions that bother on our walk in God.

- We maintain discipline.
- We do not discuss trivialities.
- We do not post "chain social notifications".
- We do not use this platform for anything else but edification by THE WORD.

All people on this platform are screened prayerfully by Ps Toks. We started in 2014 and were more the 100. Contributors are from the US, Canada, RSA, Ghana, UK, India, Zambia, Zimbabwe and Nigeria.

Here our understanding of the scriptures is collectively illuminated.

Here on WIC, many are elders, pastors, prophets, friends, associates, sons, daughters and youths generally from the US, CANADA, UK, INDIA, NIGERIA, GHANA, ZAMBIA, SOUTH AFRICA, AUSTRALIA, etc congregate electronically.

- We must be conscious not to disrespect elders.

On WIC, we don't post jokes, social greetings, political news, chain social pin ups, congratulatory messages, etc.

- No birthday greetings.

New topics are taught in wholesome nature, from time to time.

The focus is more on enhancement of interest, collectively, in digging deeper into God and inspiring individual growth, among the young ones, in God's Word; thereby encouraging personal daily relationship with the Holy Spirit and with other believers, devoid of the usual formal setting of local church systems.

More usually, we teach on various topics as the Lord leads. However, in addition, questions brought on board by the people of God, also stimulate discussions and attention in other topics to be treated.

We try to make it easy for each person to freely bring to focus, areas which they require help or further clarifications in God's Word.

### **Co-Ministers:**

There are other ministers, certainly of kindred spirit, who align with me, to carryout the Bible Study from time to time in the past few years.

Most appropriately, these friends or colleagues, not necessarily of same congregation. We must have had several previous communion of the Spirit amongst each other.

These are those who have interacted with me regularly in the past and we know what each other stand firmly in, doctrinally wise.

We are therefore, more or less, acquainted with each other, hence the congregation of God assigned by God to us are not unnecessarily exposed to untested information and ideas.

As you know, each ministry has a divinely implanted direction or course set for it by God. It is imperative for shepherds to guard against 'new' doctrines that are yet untried with the plumline of God's Word.

[The example in the book of 2Kings 4: 38 - 41 "...O thou man of God, there is death in the pot..." is for all responsible leaders to learn from].

## Videos from other Servants of God:

Yes, once in a while, like we have been having for a couple of weeks now, we initiate discussions and further studies from teachings from well-proven and respected ministers of God.

One of us, occasionally, may come across an impressionable teaching from video or even audio materials, and after due consideration that such ministrations would be good for all, we bring it on for corporate viewing.

Thenafter, we all discuss it. connect the sentence with the word 'using'  
separate the word 'Thenafter' it does not fall into category of compound words  
Particular lessons, and sometimes, areas of disagreements, based on the revealed Word of God!

## Concluding:

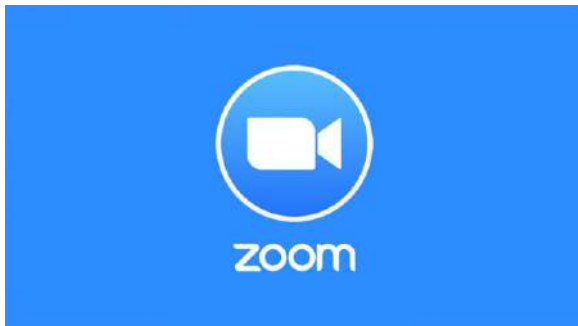

This is the reason why it is much more appropriate for servants of God who are joining with us to first take time to understand and feel the spiritual environment in fellowship with us.

It is therefore better if such a person has checked and is in alignment with us (intent and vision) spiritually add comma after teh word 'spiritually' and persuaded of same purpose before thinking of plunging into preaching or teaching.

As stated earlier, we crave for fellowship and communion with like minded believers so that in unity we build to carryout the mandate of The Great Commission while there is yet time!

Praise Ye The Lord!
